

## **ABOUT US**

Allbright Systems 2 LLC is a local commercial cleaning company specializing in doing cleaning services for banks, financial institutions, medical offices, and corporate offices in the greater St. Louis area, including the IL side of the river. Allbright System's management team is located in St. Charles, MO and Bethalto, IL. The company has a long track record of delighting customers with competent and reliable commercial cleaning, and has been in business since the early 1970's.

We are determined to provide the highest quality services at a reasonable rate. We have a team of people who care for the facilities they service and intern we care for them, providing them with whatever tools and support they need to continue improving the facilities they care for

## **Our Focus**

Cleanliness and Appearance of the entire facility  
Preparing a healthy work environment

***“The Facilities we  
service should  
always be  
improving”***

## OUR STAFF

We look for employees that show a real interest in Cleaning. We want employees that care about quality just as much as we do.

Our employees are handpicked for a specific facility. They are trained on sight, learning our proficient system of cleaning.

We give our cleaner enough time to complete all tasks and ensure that deeper cleaning is being kept up.

We have on call staff that are available for emergency cleanings. Since accidents do happen. They also are ready to fill in if regular cleaners are sick or on vacation.
